## **RECOMMENDED HOTELS**

The Tauferer Ahrntal (*Valle Aurina*) valley and the Gadertal (*Alta Badia*) valley meet in the Pustertal (Val Pusteria) valley, where the river Ahr flows into the river Rienz.

**Bruneck–Brunico**, also known as *the beating heart of the Pustertal* (*Val Pusteria*) *valley*, combines the characteristics of this unique region. Fashionable flair meets true South Tyrolean culture reflected in its architecture, rich history, leisure activities, as well as in the mentality of the locals. Not only the vibrant center with its impressive town gates and small churches, and the majestic castle, but also the Kronplatz Mountain (*Plan de Corones*) and the Dolomites nearby are very popular during the summer months.

Most accommodations are located in the town center. We recommend three hotels in Bruneck–Brunico, which are located particularly close to the Summer School venue.

We have negotiated special discount rates for Summer School participants at these hotels:

Walking distance from all recommended hotels (located in the center of Bruneck–Brunico) to the NOBIS conference center / NOI Techpark is about 5–10 minutes.

Nobis is Latin for "us" and a new meeting place in the heart of Bruneck–Brunico in the Pusteria Valley, South Tyrol, which has been officially opened in 2023. The multifunctional event center, which is flooded with natural light, is adjacent to the <u>NOI</u> <u>Techpark Bruneck–Brunico</u>, the Centre for Sustainable Mobility, and fully in keeping with the notion of "shared economy". The <u>NOBIS event center</u> is very attractive both inside and outside, with its modern design and timeless elegance, as well as its state-of-the art seminar rooms.
